The customer or entity purchasing goods or services (hereinafter collectively referred to as "Goods") is referred to as the "Buyer". Any different or additional terms in Buyer's purchase order or other Buyer documents are hereby objected to. Seller reserves the right in its sole discretion to refuse orders.

- 1. PRICES AND TAXES:** Unless a fixed price is quoted, the price at which this order is accepted is subject to adjustment to Seller's price in effect at the time of order entry. Any current or future tax or governmental charge (or increase in same) affecting Seller's costs or production, sale or delivery or which Seller is otherwise required to pay or collect in connection with the sale, purchase, delivery, storage, processing, use or consumption of Goods (but excluding any tax on Seller's net income or profit) shall be for Buyer's account and shall be added to the price. Unless otherwise specified in writing by Seller, the price quoted or specified by Seller for the Products shall remain in effect for thirty (30) days after the date of Seller's quotation.
- 2. TERMS OF PAYMENT:** Terms are stated on Seller's invoice in U.S. currency, unless otherwise defined, and are due as set forth therein. Seller shall have the right, among other remedies, either to terminate this agreement or to suspend further performance under this and/or other agreements with the Buyer in the event Buyer fails to make any payment when due, which other agreements Buyer and Seller hereby amend accordingly, or if Seller otherwise deems itself insecure. Buyer shall be liable for all expenses, including attorneys' fees, relating to the collection of past due amounts. Should Buyer's financial responsibility become unsatisfactory to Seller, cash payments or security satisfactory to Seller may be required by Seller for future deliveries and for the Goods theretofore delivered. If such cash payment or security is not provided, in addition to Seller's other rights and remedies, Seller may discontinue deliveries.
- 3. SHIPMENT AND DELIVERY:** Unless otherwise expressly provided, shipments are made F.O.B. Seller's shipping point. Seller reserves the right to make partial shipments. Seller, at its option, shall not be bound to tender delivery of any Goods for which Buyer has not provided adequate shipping instructions. If the shipment of the Goods is postponed or delayed by Buyer for any reason, Buyer agrees to reimburse Seller for any and all handling and storage costs and other additional expenses resulting therefrom. All claims for shipping errors, lost shipments or any other discrepancies must be made within ninety (90) days or they will be disallowed and deemed waived.
- 4. SELLER LIMITED WARRANTY:** Subject to limitations in Section 5, Seller covers its products with a manufacturer's warranty against defects in material and workmanship for a period of one (1) year from the date of shipment unless otherwise established by Seller in writing. To take advantage of the manufacturer's warranty, the complete product Good must be delivered prepaid to Seller or any Seller designated Authorized Service Center. **This warranty shall not apply to any Goods including but not limited to product Goods which:** (a) Have been repaired or altered outside Seller's factory (or Authorized Service Center) or in any manner so as, in Seller's judgment, to affect its serviceability or proper operation, (b) Have been subjected by persons other than Seller (or Authorized Service Center) to improper handling, operation, maintenance, repair or alteration, or (c) Have been subjected to normal wear and tear, misuse, negligence, improper installation or accident. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, WHETHER OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, OR OTHERWISE. No employee, agent, dealer, or other person is authorized to give any warranty on behalf of Seller. This warranty extends only to persons or organizations who purchase the Goods from Seller for resale.**
- 5. LIMITATION OF REMEDY AND LIABILITY: THE SOLE AND EXCLUSIVE REMEDY FOR BREACH OF ANY WARRANTY HEREUNDER SHALL BE LIMITED TO REPAIR, CORRECTION, REPLACEMENT OR CREDIT UNDER SECTION 4. SELLER SHALL NOT BE LIABLE FOR DAMAGES CAUSED BY DELAY IN PERFORMANCE, AND IN NO EVENT, REGARDLESS OF THE FORM OF THE CLAIM OR CAUSE OF ACTION (WHETHER BASED IN CONTRACT, INFRINGEMENT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE), SHALL SELLER'S LIABILITY TO BUYER AND/OR ITS CUSTOMERS EXCEED THE PRICE PAID BY BUYER FOR THE SPECIFIC GOODS GIVING RISE TO THE CLAIM OR CAUSE OF ACTION, AND BUYER SHALL INDEMNIFY SELLER FOR ANY DAMAGES IN EXCESS THEREOF. BUYER AGREES THAT IN NO EVENT SHALL SELLER'S LIABILITY TO BUYER AND/OR ITS CUSTOMERS INCLUDE SPECIAL, INDIRECT, INCIDENTAL, CONSEQUENTIAL OR PUNITIVE DAMAGES OF ANY CHARACTER IN CONNECTION WITH THE SALE, RESALE OR USE OF THE GOODS, WHICH ARE WAIVED BY BUYER AND AS TO WHICH BUYER SHALL INDEMNIFY SELLER.** The term "consequential damages" shall include, but not be limited to, loss of anticipated profits, business interruption, loss of use of revenue, cost of capital or loss of or damage to property, equipment, or data, or loss of reputation. All instructions and warnings supplied by Seller will be passed on to those persons who use the Goods. Seller's Goods are to be used in their recommended applications and all warning labels adhered to the Goods by Seller shall be left intact. Buyer solely must determine the suitability of any Goods for their specific application.
- 6. EXCUSE OF PERFORMANCE (FORCE MAJEURE):** Seller shall not be liable for delays in performance or for non-performance due to acts of God; acts of Buyer; war; fire; flood; weather; sabotage; pandemic; strikes, labor disputes, civil disturbances or riots; governmental requests, restrictions, allocations, laws, regulations, orders or actions; unavailability of or delays in transportation; default of suppliers; or unforeseen circumstances or events beyond Seller's reasonable control. Deliveries or other performance may be suspended for an appropriate period or cancelled by Seller upon notice to Buyer in the event of any of the foregoing, but the balance of this agreement shall otherwise remain unaffected. If Seller determines that its ability to supply the total demand for the Goods, or to obtain material used directly or indirectly in the manufacture of the Goods, is hindered, limited or made impracticable due to causes set forth herein, Seller may allocate its available supply of the Goods or such material (without obligation to acquire other supplies of any such Goods or materials) among itself and its purchasers on such basis as Seller determines to be equitable without liability for any failure of performance which may result therefrom.
- 7. CHANGES:** Seller reserves the right to change designs and specifications for standard Goods without prior notice to Buyer, but not with respect to custom Goods being made for Buyer. Seller shall have no obligation to install or make such change in any Goods manufactured prior to the date of such change.
- 8. ASSIGNMENT:** Buyer shall not assign its rights or delegate its duties hereunder or any interest herein without the prior written consent of Seller, and any such assignment, without such consent, shall be void.

In the event no such written notice is received by Seller, Buyer shall be deemed conclusively to have inspected and accepted all such Goods unconditionally and to have waived any and all rights and claims, including without limitation any right to reject or revoke the Goods or to claim damages in respect thereof. Buyer may not return Goods without first advising Seller of the reasons therefore, obtaining from Seller a material authorization number and observing such instructions as Seller may give in authorizing such return. In the event a return is authorized by Seller and unless otherwise noted, a fifteen percent (15%) restocking fee for any returned Goods shall be deducted by Seller from the final credit amount and an offsetting order of equal or greater value is required.
- 11. SERVICES:** If this agreement requires Seller to perform or provide any services, Seller (including without limitation its successors, assigns, agents or any person or entity acting at Seller's direction) shall not be responsible for any damages, claims, liabilities or expenses of any nature arising out of such services.
- 12. U.S. EXPORT CONTROL LAWS:** All Goods sold to Buyer by Seller hereunder are subject to U.S. Export Control Laws. Buyer hereby agrees not to re-sell or divert any Goods contrary to such laws.
- 13. COMPLIANCE:** Seller as well as Buyer shall comply with the Foreign Corrupt Practices Act of 1977, as amended. Seller reserves the right to delay or refuse delivery if requests for reasonable assurances of Buyer's compliance are not tendered as requested. - 14. NO JOINT AND SEVERAL LIABILITY.** Seller and each affiliate of each Seller who may at any time sell pursuant to these Terms and Conditions, shall only be considered a Seller hereunder with respect to the specific Goods or services sold by such Seller or affiliate of Seller. Notwithstanding anything to the contrary in these Terms and Conditions, Buyer agrees that the obligations and liabilities of each Seller and any affiliate of each Seller shall not be joint and several and that each Seller and each Affiliate of each Seller shall only be liable for its own default of its obligations under these Terms and Conditions, and no Seller shall be responsible for the failure of any other Seller to provide the Goods to be provided by such other Seller, or any affiliates of Seller thereof, as a result of or in connection with such failure.
- 15. MISCELLANEOUS:** These terms and conditions supersede all other communications, negotiations and prior oral or written statements regarding the subject matter hereof. No change, modification, rescission, discharge, abandonment, or waiver of these terms and conditions shall be binding upon Seller unless made in writing and signed on its behalf by its duly authorized representative. No conditions, usage or trade, course of dealing or performance, understanding or agreement purporting to modify, vary, explain, or supplement these terms and conditions shall be binding unless hereafter made in writing and signed by Seller. No modification shall be effected by Seller's receipt or acceptance of Buyer's purchase orders, shipping instruction forms, or other documentation containing terms at variance with or in addition to those set forth herein, all of which are objected to by Seller. Any such modifications or additional terms are specifically rejected by Seller. No waiver by Seller with respect to any breach or default of any right or remedy and no course of dealing, shall be deemed to constitute a continuing waiver of any other breach or default of any other right or remedy, unless such waiver be expressed in writing and signed by Seller. All typographical or clerical errors made by Seller in any quotation, acknowledgment or publication are subject to correction. Validity and performance relating to the interpretation and effect of this agreement shall be governed by the laws of the state of Ohio without regard to its conflict of law principles. Seller may cancel this agreement at any time for any reason upon 30 days written notice. Unless otherwise agreed in writing by Seller, Buyer may not cancel this agreement for any reason.
- 16. DISPUTE RESOLUTION:** In the event of any dispute INCLUDING, BUT NOT LIMITED TO, BREACH OF CONTRACT, BREACH OF WARRANTY, CLAIMS BASED IN TORT, NEGLIGENCE, PRODUCT LIABILITY, FRAUD, MARKETING, STATE OR FEDERAL REGULATIONS, ANY CLAIMS REGARDING THE ENFORCEABILITY OF THIS LIMITED WARRANTY, AND THE WAIVER OF CLASS ACTION TRIALS between Buyer and Seller, either may choose to resolve the dispute by binding arbitration, as described below, instead of in court. THIS MEANS IF EITHER BUYER OR SELLER CHOOSE BINDING ARBITRATION, NEITHER PARTY SHALL HAVE THE RIGHT TO LITIGATE SUCH CLAIM IN COURT OR HAVE A JURY TRIAL. DISCOVERY AND APPEAL RIGHTS ARE LIMITED IN BINDING ARBITRATION. Buyer and Seller agree that the proper venue if Arbitration is not so chosen by Buyer or Seller of all actions arising in connection herewith shall be only in the state of Ohio and the parties agree to submit to such jurisdiction. No action, regardless of form, arising out of transactions relating to the agreement, may be brought by either party more than two (2) years after the cause of action has accrued. The U.N. Convention on Contracts for the International Sales of Goods shall not apply to this agreement.
- 17. CLASS ACTION WAIVER:** BINDING ARBITRATION MUST BE ON AN INDIVIDUAL BASIS. THIS MEANS NEITHER BUYER NOR SELLER MAY JOIN OR CONSOLIDATE CLAIMS IN ARBITRATION BY OR AGAINST OTHERS, OR LITIGATE IN COURT OR ARBITRATE ANY CLAIMS AS A REPRESENTATIVE OR MEMBER OF A CLASS OR IN A PRIVATE ATTORNEY GENERAL CAPACITY. ADMINISTRATION OF ARBITRATION: The binding arbitration must be administered by the American Arbitration Association ("AAA") in accordance with its Commercial Arbitration Rules and/or Supplementary Procedures for Consumer-Related Disputes (including proceedings to mitigate costs of travel). This binding arbitration is governed by the Federal Arbitration Act ("FAA") (9 USC §1, et. seq.) and will govern the interpretation and enforcement. The binding arbitration shall be held at a location determined by AAA or at such other location as mutually agreed. In addition to the terms stated above, the following will apply to the binding arbitration: (1) the arbitrator, and not any federal, state, or local court or agency, will have exclusive authority to resolve any dispute relating to the interpretation, applicability, enforceability or formation of this Agreement including any claim that all or any part of this Agreement is void or voidable; (2) the arbitrator shall apply Illinois law consistent with the FAA.
